*Your Partner For Factory-Direct Windows & Doors*

# THE MOST ADVANCED PROTECTIVE WEATHERSTRIPPING IN THE WORLD!

**REAL-SEAL®** weatherstripping aggressively protects for a healthier, quieter, cleaner, more energy efficient home or office.

## REAL-SEAL® filters and seals out:

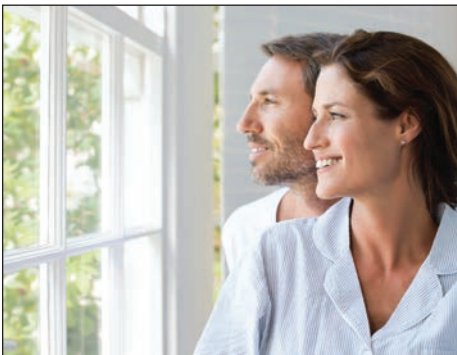

- germs
- allergens/pollen
- dirt/sand
- mold/mildew
- gases
- bugs
- sound
- eliminates any window/door vibration possibility

Every minute of every day, pollutants invade your home and workplace through windows & doors. Polluted air may aggravate or cause a variety of health related problems!

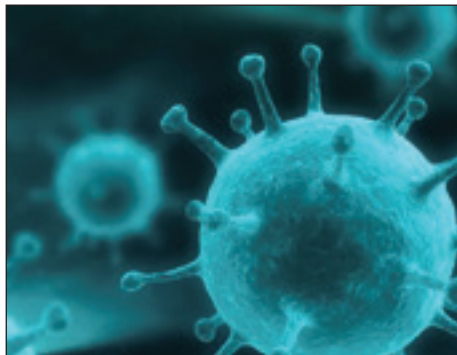

Reducing the infiltration of these allergens and pollutants ensures a cleaner, healthier, and more comfortable indoor environment.

It also helps resist the infiltration of exterior odors and gases such as carbon monoxide.

**TURN YOUR WINDOWS AND DOORS INTO A 24/7 FILTER THAT NEVER NEEDS TO BE REPLACED!**

**Tested to reduce window and door drafts 20% or greater than traditional FIN-SEAL pile.**

**Filters out mold, dust, pollen, germs, and allergens providing a clean air environment.**

**Keeps air drafts, water, sounds, sand and bugs from entering your home or business.**

**REAL-SEAL®** air sealing technology works 24/7 to reduce drafts, moisture, dirt, insects and vibrations from around new windows and doors.

**REAL-SEAL®** aggressively protects against drafts when sealing against all opposing window/door surfaces by incorporating a double polypropylene fin into the product.

Patented **REAL-SEAL®** Filter material allows the seal to adjust itself through vigorous compression and recovery cycles, providing a long lasting seal.
